Dear Regional Counsel Seager:

Please ask that the following sources of public information be updated to reflect current correct organizational information. Please ask that systems be put in place to regularly refresh and update this public information, in order that it not become as outdated as I find it today.

1.

<http://www.epa.gov/region6/region-6/region-6-orgchart.html>

This link titled "Regional Organization Chart" is found at <http://www.epa.gov/region6/region-6/rc/rc-index.html>, which link I got to by Googling "cheryl seager epa" (third result down.)

This link displays "Al Armendariz, Regional Administrator" "Multimedia Planning and Permitting Division (PD) Division Director: Carl Edlund" "Superfund Division (SF) Division Director: Sam Coleman" "Water Quality Protection Division (Water) Division Director: Miguel Flores" "Office of Regional Counsel (RC) Regional Counsel: Suzanne Murray" "Office of Environmental Justice and Tribal Affairs (OEJTA) Director: Jeannine Hale" "Management Division (MD) Assistant Regional Administrator: Lynda F. Carroll" I believe all of the above information to be incorrect. The link should be deactivated.

2. <http://www.epa.gov/region6/6rc/6rc.htm>

The page found at this link is titled "Office of Regional Counsel" and is found at <http://www.epa.gov/region6/region-6/rc/rc-index.html>, which link I got to by Googling "acting regional counsel seager" (topmost result.) I believe it contains information that is incorrect; the link should be deactivated.

3.

<http://www2.epa.gov/aboutepa/organization-chart-epas-region-6-office>

This link titled "Organization chart" is found at <http://www2.epa.gov/aboutepa/epas-region-6-south-central>, the home page for EPA Region 6, the link to which is found at <http://www2.epa.gov/aboutepa#pane-4> "About EPA," the link to which is found at the EPA home page <http://www.epa.gov/>.

At <http://www2.epa.gov/aboutepa/organization-chart-epas-region-6-office> on the "Organization Chart for EPA's Region 6 Office" page are found the attached charts: one marked "revised 07.16.2013" for your office that shows Suzanne Murray as Regional Counsel (SRC); one for Management Division marked "revised 05/2014," which has an asterisk defined as "Legacy;" one for Superfund Division marked "revised 05/2014."

Furthermore, I believe the public is entitled to an accurate organizational chart for the Office of the Regional Administrator for Region 6, which does not exist on this page or elsewhere that I can find. Please ask that it be added to the public information available on this page of the web site.

Sincerely,

Curt Grisham
